

## Conditions and Requirements for the use of the downloaded data

The copyright of KML and SHP format data provided in the Coral Reef Information Platform (hereafter called “SangoPlafo Data” ) belongs to Okinawa Prefectural Government.

### 1. Prohibited Use

Use in violation of laws and regulations are prohibited. Including methods or use contrary to public order and morals.

### 2. Required Duty for Data Citation

When publishing the work containing the data from the SangoPlafo, it is requested to quote properly in accordance with the quotation format.

Suggested citation: Okinawa Prefectural Government (2014) Okinawa Prefectural Government SangoPlafo Data. Conservation Division, Department of Environmental Affairs, Okinawa Prefectural Government, (month) 2014. Available at (URL)

### 3. Reproduction Prohibited

The following are prohibited unless approved by written document.

- (1) Duplication of the SangoPlafo data for the purpose of redistribution.
- (2) The use of the SangoPlafo data for any form of online services that are open to the public.
- (3) Commercial use of the SangoPlafo data

### 4. Exemption

Okinawa Prefectural Government is not responsible for any damage arising from the use of the SangoPlafo Data for any reason(s) whatsoever.

### 5. Precautions for use

The type of SangoPlafo Data may vary according to the updated survey results. Therefore, it may not necessarily conform to the purpose of the user. It is the responsibility of the user to determine whether the provided information meets the requirements and purpose of the user.

Since Okinawa Prefectural Government does not have copyright for secondary use for some pictures and illustrations, please contact us to use by means of an email, etc.
